

January 21, 2019

Greetings Pendleton County Youth Fair Supporter,

Planning for the Pendleton County Youth Fair is well underway and will take place July 21st - 27th, 2019. The Pendleton County Youth Fair Association is a non-profit corporation and operates exclusively for educational and charitable purposes within the meaning of Section 501 (C)(3) of the Internal Revenue code. The Pendleton County Youth Fair Association's purpose is to promote the development of youth through agriculture, cultural arts, education, industry and business to the general betterment of Pendleton County and its rural heritage through the facilitation of a county fair.

With the generous support of local businesses, the Pendleton County Youth Fair in years past has been able to contribute to the development of youth in our county. The Pendleton County Youth Fair Association is able to accomplish this through various programs in collaboration with student led organizations such as 4-H and the National FFA Organization. It is only through the continued partnership with organizations such as yours, that we are able to succeed in our community development and celebration endeavors.

We are excited to be offering these sponsorship packages to aid you in promoting your business while supporting a community event that advocates youth development. We have an array of options to meet your needs and would be grateful for your support.

Please review our sponsorship packet and consider joining us in our mission to promote and advocate the development of youth in our county. If your organization would like to participate in this year's event, please contact us with your package selection by March 31, 2019.

Thank you for your time and consideration.

Sincerely,

Pendleton County Youth Fair Association
